Dear Sir,

MSME

Ministry of Micro, Small & Medium Enterprises, Govt. of India has come out with a "Public Procurement Policy (PPP)" in the year 2012 to provide marketing support to Micro Small Enterprises (MSEs). As per this policy all Central Govt. Ministries, Departments and PSUs to procure a minimum 20% of their annual value of goods or services from MSEs. Out of 20%, 4% is earmarked for procurement from MSEs owned by SC & ST Entrepreneurs. This has become mandatory from 1st of April, 2015.

The other features of this policy are:

- MSEs quoting price within price band of L1 + 15% shall also be allowed to supply a portion of the requirement by bringing down their price to L1 (where L1 is other than MSE).
- Tender sets provided at free of cost.
- Payment of earnest money is exempted.
- 358 items are reserved for purchase from MSEs units.

Public Sectors and Govt. Departments look for supports in the following areas:

1. DICs have to help in identifying MSEs. in their vendor List.
2. They look for MSE manufacturers & service providers data
3. Directorate of Industries & DICs have to upload data of MSEs into "data.msmeconnect.gov.in" (a Portal dedicated for PPP) on continual basis.
4. They expect state or central govt. MSME department to organise a regular vendor development meets/buyer seller meets.

A Nodal officer may please be nominated from your side who will be a single point contact to this office and also responsible for attending the above mentioned 3 subjects and should help us in uploading the details of the MSEs on continual basis. The user ID and Password will be communicated to the nodal officer through e-mail. The contact details of the nodal officer may please be sent to this office at the earliest.

We solicit your kind Cooperation.

For further details Shri Narendra Nayaran Estolkar, Deputy Director, Phone No. 011-23062215, Email pppolicy12@gmail.com may be contacted.

With regards,

Encl. 358 reserved items

Yours sincerely

(S. Sivagnanam)
