Government of Bihar

Notification

Under Business Reform Action Plan, 2017, the Department of Environment and Forest, Govt. of Bihar has to comply with 21 recommendations of Department of Industrial Policy and Promotion, Ministry of Commerce and Industries, Govt. of India for ease of doing business in the State. Department of Industries, Govt. of Bihar mandates below mentioned recommendations pertaining to Department of Environment and Forest shall be adhered to.

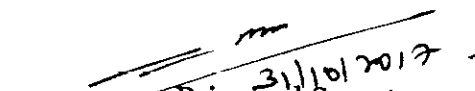

S. #.	Area	Recommendation	Compliance
	Inspection by Appropriate Authority for felling trees (prior to commencement of construction activities)	Mandate online submission of inspection report within 48 hours to the Department	The online inspection system has been developed and respective officers will be submitting their inspection reports online to the department within 48 hours of inspection.
		Mandate that the same inspector will not inspect the same establishment twice consecutively	Since, there is no requirement to inspect the same establishment twice once NOC is granted for tree felling hence, this recommendation is not applicable for Department of Environment and Forest.
	Access to Information and Transparency Enablers	Develop and make publicly available a comprehensive checklist, applicable procedure and timeline of all required pre-operation No Objection Certificates (NOCs), licenses, registrations and other mandatory State approvals required for starting business operations	Department of Environment and Forest does not give No Objection Certificates (NOCs), licenses, registrations and any other State approvals for starting business operations as tree felling and tree transit are one time process and related clearances are given under pre-establishment stage only. Therefore, this recommendation is not applicable for Department of Environment and Forest.

This has got approval of Hon'ble Minister, Department of Industries, Govt. of Bihar.
