GOVERNMENT OF INDIA

MINISTRY OF TEXTILES

OFFICE OF THE DEVELOPMENT COMMISSIONER FOR HANDLOOMS

Udyog Bhawan, New Delhi

Dated the 20th February, 2017

To.
Director In-charge of Handlooms
All States / Union Territories

Sub: Conducting of 4th Nationwide Handloom Census and issue of Photo Identity Cards

Sir

Three handloom censuses have been undertaken by this office in the past. First handloom census was undertaken in 1987-88, second handloom census was undertaken in 1995-96 and third handloom census along with issuance of Photo Identity Cards (PIC) to eligible handloom weavers and allied workers was undertaken in 2009-10.

2. This office is in the process of conducting fourth nationwide census for handloom and issue of Photo Identity Cards (PIC) to handloom weavers and allied workers. M/s Karvy Data Management Services Ltd. (KDMSL), Hyderabad has been selected as agency for carrying out this task. The entire work of conducting census and issue of PICs is scheduled to be completed within a period of one year.

3. Conducting nationwide handloom census along with issue of PICs to eligible handloom weavers & allied workers is a mammoth exercise in terms of coverage and scale of operation. Starting February 2017, during the next eight to ten months, KDMSL team would visit all the weavers' households door to door in the country to collect relevant census data information. Without full support from States and UTs, it may not be possible for said agency to complete this enormous task within the stipulated period.

4. You are requested to extend support to KDMSL in identifying the weavers' pockets. I shall appreciate if instructions are issued to all concerned regional/district level offices on urgent basis to extend help & cooperation to KDMSL team during the course of their field work, for successful completion of the current project timely.

Yours sincerely,

(ALOK KUMAR)
