The operational guidelines of these schemes are available at this Ministry's website: www.mofpi.nic.in.

3. You would appreciate that benefits available under these schemes will not only help in attracting sizeable investment in food processing sector in the State but will also ensure realization of better price by the farmers for their produce, in addition to creating significant employment opportunities. However, enough proposals are not being received under these schemes from your State.

4. I would, therefore, request you to give wide publicity to the above schemes so that the potential investors / entrepreneurs in your State may avail benefits available under the Yojana.

With best wishes,

Yours sincerely,

R 8.11.18
