The Principal Secretary,
Dept. of Industries
Bihar, Patna-800001.

Sub : Road for access to our project site at **Fatuha, Patna.**

Sir,

With reference to the meeting at "Investor's Meet" at Hotel Maurya, Patna on 05.04.2013, then meeting with you at your department's meeting at your office in the afternoon. As advised by you I am attaching the xerox copies of the letters of (1) Director, Tech. Development, Industries Deptt. - to the DM & Senior SP Patna, alongwith our (2) letters to the DM, Patna and a (3) copy of the location map of the plot at the site.

This is to inform you that -

During negotiation of our plot there was a pre-existing "Kaccha Road" in front of our plot, connecting the Fatuha. Industrial Area and Dhanraj Tola, Kirodharpur (Fatuha). Which was a public throughfare since long. In the Registered Sale deed also it is shown as Kaccha Road, in the south of our plot.

Local residents had also said that - some years back a Mukhia had put the soil on this "Kaccha Road" - under some Govt. Scheme, with the Govt. fund withdrawn from the local BDO/CO Office (Fatuha/ Khushrupur) - which could be verified.

This is for your kind information and record.

Thanking you,

Yours faithfully,

P.K. Sinha
(P.K. Sinha)
Project Co-ordinator
for Premier Cryogenics Ltd.

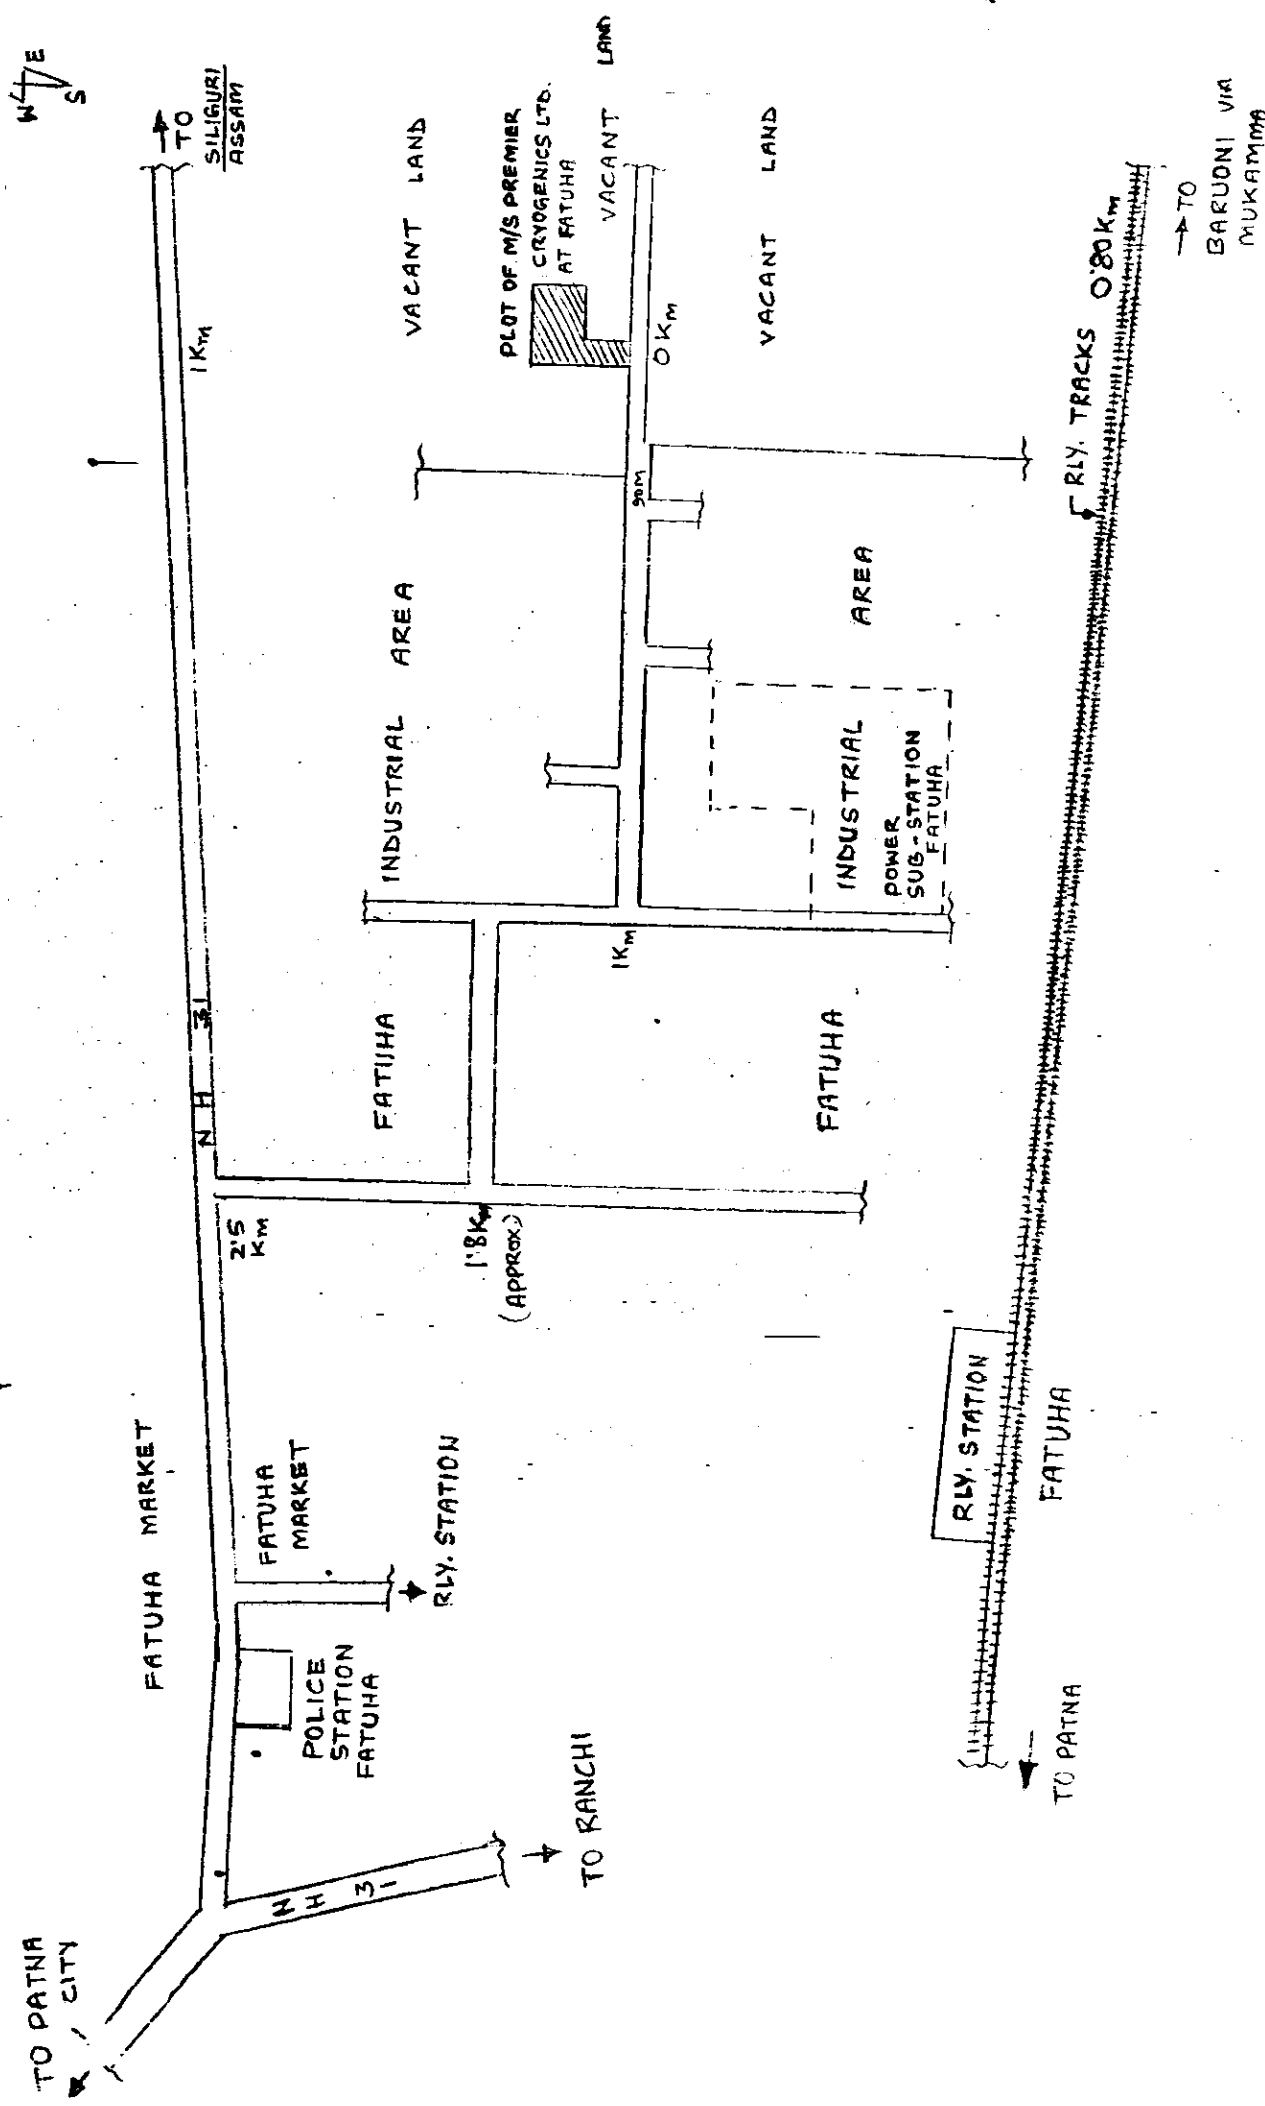

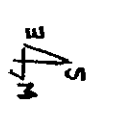

Encls : As mentioned above.
