Dear Sir/Madam

Handwritten signature and date 10/4

Hereby it is inform you that we had taken a land on lease for 67 yrs 4 month from the High Court Official Liquidator Patna. We had made a Cold Storage under my company M/s Savitri Horticulture Pvt. Ltd. The name of my cold storage is Unit 1 – Asha Cold Storage. We has applied for Electricity connection **IN THE NAME OF: SAVITRI HORTICULTURE PRIVITE LIMITD, RECEIPT NUMBER: 747008** but till now the supply of electric has not been given. So for it we are running my cold storage from D.G set which is highly costly and my chamber are totally filled with potatoes.

We are writing the complain because we came to know that the connection is not given due to back dues on the company who had taken the land before but according to the Supreme Court judgement the running company who had overtaken the land is not liable for any dues pending of last company.

We are having the judgement on this matter cases number – 1995 Scc (2)648, JT 1995(2)626 date of judgement is 03/02/1995. There are more cases whose judgement are in favor of the current owner.

Due to electricity supply not given can cause damage to the nation indirectly because it can hamper my reputation and my store is totally filled.

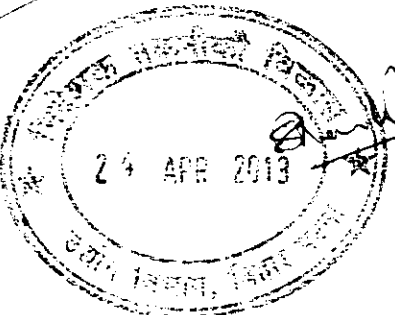

So kindly look in to the above matter and solve my problem to make me more aggressiveness to grow more industries in that area for development.

Give your humble support in connection of electricity as fast as possible for smooth running of my industry. For which we can contribute in development of the nation. We shall ever pray for your kindness.

With Regards

Sunil Kumar Agrawal
