Subject: Sanction of Power Purchase Agreement for 2 X 7.5 MW Biomass based Independent Power Plant at Village Noaon, Block Dumraon, Dist. Buxar, Bihar.

Ref: Letter No. 1547/Patna/4 तक्राविधि/सी/464/13 dated 21.0813 from Deptt. Of Industries (Tech. Dev.) Govt. of Bihar

Dear Sir,

This has reference to our application for Power Purchase Agreement (PPA) to South Bihar Power Distribution Company Limited, In October '13 by our Partner Company M/s Akash Energy & Infrastructure (P) Ltd. to establish 2 X 7.5 MW Biomass Based Power Project at District Buxar. we would like to inform that despite completion of all prerequisite sanction formalities and all necessary approvals we have not yet received PPA sanctioned by South Bihar Power Distribution Company Limited despite repeated request and appeal since 8 months. The following prerequisite approvals are already submitted as per their advice:

1. Consent for establishment by State Investment Promotion Board, Govt. of Bihar.
2. Feasibility study by Bihar State Holding Co. Ltd. For power evacuation to 132 kV GSS, Dumraon.
3. NOC from Bihar State Pollution Control Board.
4. Recommendation by Bihar Renewable Energy Development Agency.
5. Land Possession Certificate by CO, Dumraon. (Land of 9 Acres already procured)
6. Notarized copy of the Land Registry.

On the basis above we apply for the Power Purchase Agreement with Bihar State Power Holding Company Ltd. (BSPHCL) on 21/10/2013. We request your personal intervention and to take necessary action and grant us sanction for the Power Purchase Agreement. so that we can start the erection of the proposed project accordingly and looking forward to commission the project in July 2015 and add Green Fuel based Power Generation in Bihar Power Map.

Yours Sincerely,  
For Akash Energy & Infrastructure Pvt. Limited.
