Government of India**

MINISTRY OF FOOD PROCESSING INDUSTRIES

**Guidelines for implementation of
National Mission on Food Processing (NMFP)**

During theremainder of 12th Plan (2013-17)

1. Introduction:

Ministry of Food Processing Industries (MFPI) has launched a new Centrally Sponsored Scheme (CSS) - National Mission on Food Processing (NMFP) during the 12th Plan (2012-13) for implementation through States / UTs. Further, the Govt. of India have approved continuation of the Mission during the remainder of 12th Five Year Plan (2013-17). The basic objective of NMFP is decentralization of implementation of Ministry's schemes, which will lead to substantial participation of State Governments / UTs. The NMFP contemplates establishment of a National Mission as well as corresponding Missions in the State and District level. NMFP is likely improve significantly the Ministry's outreach in terms of planning, supervision and monitoring of various schemes.

2. Objectives :

- i. To promote facilities for post-harvest operations including setting up of food processing industries.
- ii. To undertake decentralization of the schemes so far operated by the Ministry of Food Processing Industries (MoFPI) in order to take into account the requirements suitable to the local needs.
- iii. To augment the capacity of food processors working to upscale their operations through capital infusion, technology transfer, skill Upgradation and handholding support.
- iv. To support established self-help groups working in food processing sector to facilitate them to achieve SME status.
- v. Capacity development and skill upgradation through institutional training to ensure sustainable employment opportunities to the people and also to reduce the gap in requirement and availability of skilled manpower in food processing sector.
- vi. To raise the standards of food safety and hygiene in order to meet the norms set up by FSSAI.
- vii. To facilitate food processing industries to adopt HACCP and ISO certification norms.
- viii. To augment farm gate infrastructure, supply chain logistics, storage and processing capacity.
- ix. To provide better support system to organized food processing sector.

3. Structure at National Level:

3.1 The Mission will be governed by the National Food Processing Development Council (NFPDC) headed by the Hon'ble Minister of Food Processing Industries as its Chairman and having the following composition:

Sl. No.	Composition	Designation
1.	Hon'ble Minister of Agriculture and Food Processing Industries	Chairman
2.	Hon'ble Minister of State for Agriculture and Food Processing Industries	Vice Chairman

(vi)	Three Experts (Food Processing, Post Harvest Management and Marketing) - CIPHET, CFTRI and NERAMAC	Members
(vii)	Mission Director of NMFP (Joint Secretary, MFPI)	Member Secretary

3.2.1 The Ministry of Food Processing Industries (MFPI) will provide necessary support to the EC and NFPDC for administering the NMFP. The EC will ensure smooth functional linkages amongst the different agencies. The EC would meet once in every quarter.

3.3 The Mission would have Mission Directorate at National level in the Ministry of Food Processing Industries. The Mission Directorate will have dedicated structure headed by Joint Secretary as Mission Director and required supporting manpower.

4. Structure at State Level:

4.1 State Level Empowered Committee (SLEC)

4.1.1 To carry out administration of the State Food Processing Mission, a State level Empowered Committee (SLEC) will be constituted by the State Government under the Chairmanship of the Chief Secretary having representatives from other concerned Departments, as deemed proper by the concerned State Governments including the representative of Finance Department of the State. MFPI will also nominate its representative who will be a Member in the SLEC. The State Mission Director to be appointed by the State Government will be the nodal agency and they would be responsible for implementation and monitoring of NMFP.

4.1.2 State food processing departments/Directorate of Food Processing Industry/any suitable organization so identified by the State will act as Mission Directorate for

**National Mission on Food Processing
Government of India**

state food processing Mission.

5. Funding Pattern of NMFP: This scheme will be implemented as a new centrally sponsored scheme in all the States in the ratio of 75:25 (Govt. of India and States) except for North Eastern States, where the ratio would be 90:10. All the UTs would be funded on 100% grant basis.

6. Criteria for allocation of funds to the States:

6.1 Ministry of Food Processing Industries (MoFPI) would be transferring funds to States / UTs only through State / UT budgets for implementation of aforesaid schemes under NMFP during the remainder of 12th FY Plan (2013-17). MoFPI will communicate the allocations of each state separately.

6.2 Accordingly, states are requested to make provision for respective state shares in their Annual Plans / 12th Plan (2013-17).

6.3 All the states / UTs are advised not to exceed the total allocations (i.e. GOI share in particular) for implementation of NMFP during the 12th Plan (2013-17). It is also informed that no additional Govt. of India (GOI) share shall be provided over and above the 12th plan allocations of NMFP.

6.4 GOI share for 2013-14 will be released to the extent of 50% allocation meant for the states / UTs, after deducting the opening balance with the states / UT as on 01.04.2013. GOI share will be released in the corresponding years after deducting the balance in the previous financial year.

6.5 Second/ subsequent instalments in the respective financial year will be released to the states on submission of the following documents:

- Proposal for release in prescribed format. **(Annexure-I)**.
- Utilization certificate of 50% of the amount including the opening balance duly certified by Financial Authority of the State. **(Annexure-II)**.

7. Schemes to be implemented under the Mission during 2013-17:

7.1.1 The Major Programmes/Schemes to be implemented under NMFP during the remainder of 12th Plan (2013-17) are:

- (i) Scheme for Technology Up-gradation / Establishment / Modernisation of Food Processing Industries.
- (ii) Scheme for Cold Chain, Value Addition and Preservation Infrastructure for Non Horticultural Products .
- (iii) Setting up / modernisation / expansion of Abattoirs (to be implemented w.e.f. 2014-17. Guidelines are being issued separately).

**National Mission on Food Processing
Government of India**

- (iv) Scheme for Human Resource Development (HRD).
 - (a) Creation of Infrastructure facilities for running Degree/Diploma/Certificate Courses in Food Processing Technology.
 - (b) Entrepreneurship Development Program (EDP).
 - (c) Food Processing Training Centre (FPTC).
 - (d) Training at recognised Institutes and sensitization cum awareness programme.
- (v) Scheme for Promotional Activities .
 - (a) Organizing Seminar/Workshops.
 - (b) Conducting Studies/Surveys.
 - (c) Support to Exhibitions/Fairs.
 - (d) Advertisement & Publicity.
- (vi) Scheme for Creating Primary Processing Centres / Collection Centres in Rural Areas.
- (vii) Modernisation of Meat Shops.
- (viii) Reefer Vehicles.
- (ix) Old Food Parks.

7.1.2 Salient features of the guidelines to be followed by the State / UT Governments for the above mentioned schemes are enclosed.

8. Scheme-wise allocation of funds:

State level Empowered Committee (SLEC) will be the competent authority to decide *interse* allocation of funds amongst the above schemes. However, not more than 10% and 20% of the allocation will be utilized for Promotional Activities and Human Resources Development schemes, respectively. SLEC may allocate resources to the other schemes as per local requirements in the states.

9. Administrative Expenses for implementation of NMFP:

States may utilize 5% of the actual expenditure incurred in a financial year under NMFP by states / UTs during 12th Plan (2013-17) for meeting the administrative expenses towards supporting the State Missions for implementation of NMFP. However, the same may not be utilized for purchase of vehicles.

10. Procedure for approval:

10.1 The SLEC may decide the level competent to accord project specific approvals under all the schemes of the Mission. SLEC may also decide the modalities, including delegation of sanction powers under the schemes to sub committees / officers, including the scrutiny of individual proposals and release of funds. SLEC may periodically monitor, review and evaluate the implementation of NMFP in the

**National Mission on Food Processing
Government of India**

State.

10.2 State Mission Directorate would ensure identification of beneficiaries in the respective States / UTs for various schemes of NMFP during 2013-17. They will also ensure physical verification of the projects assisted, concurrent evaluation as well as submission of monthly progress reports to the Ministry in soft and hard copies in the prescribed reporting format. **(Annexure-XXII)**

10.3 The Area Officers of the Ministry will also participate in the meetings of SLEC. They may also help in monitoring the progress of implementation of NMFP in the concerned state, undertake physical visits of some projects and ensure overall coordination between the State Mission Directorates and the Ministry.

10.4 Ministry of Food Processing Industries may also undertake evaluation of the implementation of the schemes of the Mission by engaging professional agencies, if necessary.

11. Recall of Grant:

SLEC will have the authority to re-call the grant in case of mis-utilization of grants by the applicants:

- (a) If the project is not completed in time even within the approved/ extended project period.
- (b) If the grant released is utilized for the purpose other than the approved components / activities.
- (c) If the institute / organization becomes non-functional or said activity / organization is closed before 3 years of release of final instalment.

12. Convergence with the schemes of State Governments:

Benefits under this scheme can be given in addition to the benefits under the schemes of the State Governments, if any, at the discretion of the State Governments / SLEC. Each State may design State specific schemes under which additional benefits can be provided in addition to the NMFP assistance.

13. Flexibility to States / UTs for considering deviation proposals under National Mission on Food Processing (NMFP)

13.1 For 2013-17 (remainder of 12th Five Year Plan), it has been decided to limit the flexibility to states / UTs under NMFP to the extent of 20% of the allocated funds to the respective States / UTs in a financial year.

13.2 All the deviation proposals may be approved by the State Level Empowered Committee (SLEC) under the Chairmanship of Chief Secretary of the respective state for the remainder of 12th Five Year Plan (2013-17).

**National Mission on Food Processing
Government of India**

13.3 The guidelines for considering the deviation proposals by SLEC are as under :

- 13.3.1 During 2012-13, states / UTs were given flexibility to take up new schemes/ components not envisaged in the guidelines or deviate from the NMFP guidelines with prior approval of the National Food Processing Development Council (NFPDC), headed by Minister (Agri& FPI).
- 13.3.2 During the implementation of NMFP during 2012-13, there was a demand from the States / UTs to provide them more flexibility to bring about synergy with the agriculture and allied sectoral plans not only to ensure more efficient use of funds but also for sectoral integration as well as to complete the food supply chain without any break. This may bring about more value addition by providing incremental output for food processing sector.
- 13.3.3 Keeping the above objective in view, flexibility has been provided to States / UTs during the remainder of 12th Plan (2013-17) for taking up innovative schemes / components under NMFP to suit the local requirements.

13.5 Flexibility for deviation proposals may include -

- Any New scheme for development of infrastructure facilities for promotion of food processing sector.
- Facilitate customized trainings for skill development in food processing sector.
- Any other State specific activities deemed fit for utilizing the locally grown horti./ non-horti.produce beneficial for promotion of food processing sector.

13.6 Flexibility under NMFP does not include:

- Any activity which does not enhance food processing capacity / value addition and remunerative prices to farmers etc.
- Activities other than directly related to food processing i.e. recurring expenditure related to any scheme / project, working capital, utilities, Vehicles purchase, manpower, salaries, foreign deputation etc.

13.7 Criteria for allocation of funds for deviation proposals under NMFP:

The deviation under NMFP would be limited to 20% of the allocated funds to the respective States / UTs in a financial year during the remainder of 12th FY Plan (2013-17). The grants-in-aid approved for deviation proposals under NMFP by States / UTs implemented in the ratio of 75:25 (Govt. of India : States) except for North Eastern States, where the ratio would be 90:10(Govt. of India : States). All the UTs are funded by Government of India on 100% grant basis.

13.8 Procedure for approval:

All the deviation proposals may be approved by the State Level Empowered Committee (SLEC) under the Chairmanship of Chief Secretary of the respective state for the remainder of 12th Five Year Plan (2013-17).

14. Supervision and monitoring by MoFPI.

To supervise and monitor the implementation of NMFP by States/ UTs, Ministry of Food Processing Industries (MoFPI) has appointed Project Management Agencies (PMAs). The details of the PMAs and allocated States/UTs to them are as under:

**National Mission on Food Processing
Government of India**

Sl. No.	Name of the PMA	Zone	States / UTs
1.	WAPCOS Ltd., Haryana	North	Uttar Pradesh, Haryana, Punjab, Chandigarh, Madhya Pradesh, J&K, Himachal Pradesh, Uttarakhand & Delhi = 9
		East	West Bengal, Orissa, Bihar, Jharkhand & Chhattisgarh = 5
2.	IL&FS Cluster Development Initiative Ltd., New Delhi	South	Andhra Pradesh, Tamil Nadu, Kerala, Karnataka, Pondicherry, Lakshadweep, Andaman & Nicobar = 7

4	NERAMAC, Guwahati	North East	Assam, Arunachal Pradesh, Meghalaya, Nagaland, Tripura, Sikkim, Manipur, Mizoram.

The PMA will assist Ministry in implementation of the NMFP and coordination with states / UTs and perform the following functions:

- (i) The PMA will prepare a state-wise monthly progress report on utilization of funds and physical progress of projects in each state. The same should be submitted by 10th of every month, for the previous month.
- (ii) The PMA will visit each State Capital at least once in a quarter and send a report on the meeting indicating the difficulties being faced, highlights of the achievements and innovative practices and any other feature. This report should be sent by 15th of subsequent month of quarter ending.
- (iii) During the visit to the state, they should also inspect 5 assisted units spread over the different schemes as may be applicable in a state. The location to be inspected by the PMA should be approved by the Area Officer of Ministry appointed for the purpose of NMFP.
- (iv) Any others assignment relating to implementation and monitoring of the NMFP scheme.

15. Top up of funds by the State Government:

State Governments, on case to case basis may top up i.e. provide additional funds from its resources for any scheme of NMFP. Such top up may be resorted to only after GOI share and State share are fully utilized. No top up may be done from the funds of MoFPI or any other Centrally Sponsored Scheme of any Ministry.

3. Guidelines for the scheme of Cold Chain, Value Addition and Preservation Infrastructure (for non-horticultural products) during the remainder of 12th plan (2013-17) under NMFP.

1. Objectives:

The objective of the scheme is to provide integrated and complete cold chain and preservation infrastructure facilities from the farm gate to the consumer or from the production site to the market. Pre-cooling facilities at production sites, reefer vans, and mobile cooling can be assisted under the Scheme. This Scheme may also help to link groups of producers to the processors and markets through well-equipped supply chain.

2. Components of the scheme:

2.1 The Scheme of Cold Chain, Value Addition and Preservation Infrastructure will have the following components:

- (a) Minimal Processing Centre at the farm level which will have facilities for weighing, sorting, grading, packing, pre-cooling, chilling, cold storage and Individually Quick Freezing (IQF).
- (b) Mobile cooling trucks and reefer trucks as may be suitable for transport of Non-horticulture produce.
- (c) Distribution hubs with multi product cold storage /Variable chilling/ freezing Chambers, Packing facility, IQF and Blast/ Plate freezing etc.
- (d) Irradiation facility.

2.2 Irradiation facilities may also cover warehousing, cold storage facilities etc. for storage of raw material and finished products for efficient utilization of the facility.

2.3 To avail financial assistance, any two of the components, from (a), (b) or (c) above will have to be set-up by the promoters. Irradiation facility can be set up as standalone for the purpose of availing grant.

3. Eligible Sectors:

Following sectors may be covered under the scheme:

- (a) Dairy – All milk and milk products, etc.
- (b) Meat – All meat and meat products etc.
- (c) Aquaculture and marine products like Prawns, Seafood, Fish, and their processed products etc.
- (d) Any other non- horticultural food products requiring integrated cold chain.

4. Eligible Organizations:

Integrated cold chain and preservation infrastructure may be set up by individuals or groups of entrepreneurs interested in supply chain management, organizations such as Govt. / PSUs / Joint Ventures / NGOs / Cooperatives / SHG's / Private Sector Companies and Corporations etc.

5. Eligibility Conditions:

5.1 The applicant should have sound financial back ground. **The networth of the applicant(s) should be more than 1.5 times of the grant applied for.**

The grant-in-aid was provided @ 25% of the project cost in general areas and @ 33.33% in Difficult Areas (North Eastern Region including Sikkim, Jammu & Kashmir, Himachal Pradesh, Uttarakhand, Andaman & Nicobar Islands, Lakshadweep and ITDP Areas) subject to a maximum of Rs. 4.00 Crore for provision of common facilities.

6. Release of remaining instalments of grant:

6.1 These are partially completed Food Parks to which one or more instalments of grant-in-aid have been released. The release of remaining instalments of grant to these projects will be subject to the following conditions:

- (i) Second instalment (25%) will be released subject to production of UC for 1st instalment, CA certificate is towards expenditure of 50% of the amount of promoter's contribution as well as term loan component or of 50% of total project cost, report by State Mission Directorate (SMD) after verification & physical inspection of the project.
- (ii) 3rdinstalment (25%) will be released subject to production of UC of 2nd instalment, CA certificate towards expenditure of 75% of the amount of promoter's contribution as well as term loan component or of 75% of total project to verification & physical inspection by SMD.
- (iii) Fourth and final instalment will be released subject to production of UC of 3rd instalment, CA certificate towards (i) expenditure of 100% of the promoters contribution as well term loan

**National Mission on Food Processing
Government of India**

component or (ii) 100% project cost duly endorsed by SMD after physical inspection.

6.2The SMD would be required to specifically certify that the project has come up and is ready for commercial operations / has commenced commercial operations in the case of option (i) being exercised the promoter shall have to propose an acceptable mechanism so that from ministry are expended on eligible activities.

7. Implementation and Monitoring:

State Mission Directorate (SMD) of NMFP will periodically review the progress of implementation of the partially completed Food Parks and will make all possible efforts to complete these projects at the earliest.
